FLEET AT AUCKLAND WRIGHT FLIES EASILY

Drop Anchor Once More.

Visits of Respect.

Elaborate Entertainment Program Has Been Arranged.

AUCKLAND, N. Z., August 9.-Sixteen LEMANS, France, August 8.-Wilbur white ships, comprising the battleship di- Wright of Dayton, Ohio, made a flight esvision of the United States Atlantic fleet, timated at three kilometers (about 1.8 under command of Rear Admiral Charles S. Sperry, arrived here at 8:40 o'clock this miles) in 1 minute and 46 seconds with his morning and anchored in two columns in aeroplane here this afternoon. . This speed the roadstead abreast the city after a was a little greater than a mile a minute voyage of thirty-three days from San Throughout the flight Mr. Wright had Francisco, including a stopover of six days at Honolulu. They will remain here until next Saturday

When the warships entered the harbor sociated Press: cruisers Encounter and Pioneer.

Sperry Pays His Respects.

Shortly after anchoring Admiral Sperry, accompanied by his staff, went ashore and paid his respects to Lord Plunkitt, the visited William A. Prickitt, the American consul general. The governor and Mr. as 1 minute 46 seconds. Prickitt later returned the admiral's visit aboard the flagship Connecticut.

monies and festivities for which the most elaborate preparations have been made. including the reception of the fleet on behalf of the government by the prime minister, the Rt. Hon, Sir Joseph George Ward; the presentation of various addresses, parades, military reviews, ban- to try out the aeroplane. While flying quets, excursions to nearby points of interest and horse racing and various fleet the various committees have pand soaring, then shooting gracefully down great attention to plans for making most ward, and then mounting again at will enjoyable the stay here of the enlisted until finally, after completing two circles,

City Is En Fete.

The city is elaborately decorated in honor of the visit of the Americans, and thousands of persons already have come into the city in order to assist in paying a number of other experts, who styled the hemage to the officers and men. Queen flight a wonderful exhibition of aviation street, the leading thoroughfare of the city, is profusely decorated with flags and bunting, the Stars and Stripes and the Union Jack of Great Britain being seen at every hand.

The townspeople are entirestastic over the visit of their American cousins, and throughout the day thronged the water front of the city to view the stately ships lying at anchor in the roadstead. As a special honor the board of education has changed the date of the Michaelmas holiday and will give the school children their week's vacation, beginning tomor- the world aroused the liveliest comment, home in Kentucky today and Gov. C. N. their elders in making the stay of the American fleet a notable one.

An Imposing Spectacle.

The fleet steamed to its anchorage in perfect formation. The day was bright with sunshine and the sea shimmered like a sheet of glass. The shores were lined with 50,000 persons and the harbor was spotted with the craft of excursionists. It was an imposing spectacle and the spectators gazed in admiration at the power and majesty of the fleet, its perfect alignment and precision in evolutions, which were completed without the

Passing the flagship Powerful the bands of the visitors played the British national anthem, and as the Connecticut passed it the band of the Australian flagship pealed forth the American anthem.

A GREAT RECORD.

Immensely Gratified.

"It is a great record and I am im-This was the comment of Rear Admiral
